

HEALTH CENTRE

Students can receive Medical services through the Health Center which was established at the College premises. We thank UGC officials for funding to establish Health Centre under UGC XI plan.

Doctors of our sister concern Basaveshwar Teaching & General Hospital, Kalaburagi is visiting to our health centre once in a month on last Wednesday of every month. Nursing facilities are hired whenever it is essential from Basaveshwara Teaching & General Hospital, Kalaburagi which is in the vicinity of our college.

Health centre is kept open weekdays from 9 AM to 5 PM when college is in session. Walk in care is also available for more acute medical problems. For students with more serious medical or emotional problems services are made available at our sister concern Basaveshwar Teaching & General Hospital, Kalaburagi.
